

Respect.

A prologue...

Alison Fox | Senior Advisor
Phacelift Consulting Services

Seven little letters.

Seven little letters that sit side by side.

Seven little letters that should be given.

Seven little letters that might be earned.

Seven little letters that can be lost.

Seven little letters that when lost are meaningless.

Seven little letters that may be found.

Seven little letters that when found can inspire.

Seven little letters that define any given relationship.

~

About Alison Fox

Alison has worked across a diverse range of customer centric organisations, with a strong focus on customer engagement, organisational development and design. During her career, she has worked across a variety of creative and corporate organizational development assignments in both public and private sectors, focusing on frontline management, business management and leadership.

Alison's background in design and management has enabled her to lead teams of researchers, designers and operators to develop new stakeholder engagement processes across government organisations. Providing seamless customer interactions, communication strategies and staff processes, she collaborates with organisations to deliver concise information based on customer and stakeholder requirements.

About Phacelift

Phacelift specialises in providing advice on good business practice. For more information please visit our website:
